

Auto-Publisher System

Model: AP220N

2 DVD Recorders, 220-Disc Capacity Publishing System

- All-In-One Disc Publishing System
- Choices of Thermal or InkJet Printer
- Copy and Print Discs in One Easy Step
- Stand-Alone Publisher
- Networkable Capability
- 220-Disc Production Capacity

TEAC's new Auto-Publisher with choices of TEAC 4800dpi color Inkjet Printing or TEAC color Dye-Sub Thermal Printing is a full automated 2-DVD Drive Publishing System. It makes it easy and quick to automatically copy and print up to 220 discs. Advanced Robotic Mechanism is used to transport discs from the input bins to the integrated TEAC Printer and then to the output bins.

For the most remarkable print quality, speed and performance, look to the TEAC Color Printers. With incredible print resolution – the best in the world - all of your discs will have the sharpest text, graphics and photos. Colors are bright, vibrant and truly professional photo-quality, creating a positive, lasting impression.
